Some Cozy Christmas Piano

Quiet Carol Settings

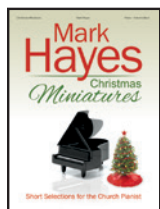

Capturing the feeling of a crackling fireplace and the picturesque view of snow flurries outside of the window of a quiet, secluded cabin, this collection of carol arrangements is truly unique and special. The expressive and reserved nature of these arrangements make this collection a wonderful selection for Christmas service preludes, candlelight services, or with family gathered on Christmas morning. During

Mark Hayes Christmas Miniatures

Short Selections for the Church Pianist

Written with the season of hope, love, joy, and peace in mind, this volume of Mark

Hayes Miniatures features familiar carols and five original compositions that correspond with events in the Christmas story. As with the other volumes in this series, each arrangement is around two minutes or less, so you can add more seasonal music to your Advent and Christmas celebrations. They can even be performed without hours of practice, providing music you can play at the last minute. (Int.)

Celebration!

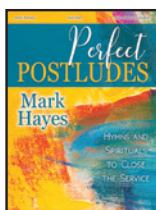

Piano Solos by Mark Hayes

This collection of classic gospel songs, hymns, and seasonal songs is Mark's letter of love and deep admiration to black gospel music. "There is something about the marriage of syncopation, jazz harmonies, improvised vocal

lines, and unfettered joy," he writes in the foreword, "that speaks to my soul. Whether it's a hip groove, a full-on hallelujah, or a mournful spiritual, it delights my musical senses and resonates with my spirit." As with all of Mark's arrangements, we hope these will delight and resonate with you as well. (Mod. Adv.)

Bless His Holy Name • I Go to the Rock • My Tribute • Jesus, What a Wonderful Child • Soon and Very Soon • Amazing Grace • Total Praise • I Don't Know Why (Jesus Loves Me) • I Must Tell Jesus • O Come, All Ye Faithful

Perfect Postludes

Hymns and Spirituals to Close the Service

What makes a perfect postlude? The answer is found in the ten selections that Mark Hayes arranged for this piano collection. Each piece grabs listeners'

attention from the first measure, so you can send the congregation out rejoicing! They are also moderate in length so you don't end up playing to an empty sanctuary. (Mod. Adv.)

Jesus Shall Reign • I'm Gonna Sing When the Spirit Says Sing • Joyful Day • Christ the Lord is Risen Today • O for a Thousand Tongues to Sing • I Want Jesus to Walk with Me • To God Be the Glory • Noble March • Lead On, O King Eternal • They'll Know We Are Christians

My Hope Is Found

The Modern Hymns of Keith Getty, Kristyn Getty, and Stuart Townend for Organ

The Getty creative team (represented here with the work of Keith Getty, Kristyn Getty, and Stuart Townend) has made a tremendous impact in the world of church music. Many of their songs have entered the repertoire of churches as "modern hymns" for the present era. Taking inspiration from the powerful words and stirring tunes, Jason D. Payne has

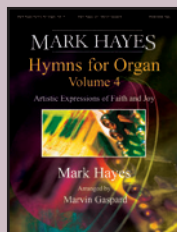

crafted worshipful organ arrangements of seven of their best-known hymns that are by turns thrilling and poignant. (3-staff, Mod. Adv.)

Christmas Carols for Organ

After the success of Lloyd Larson's first organ collection (70/2108L), we are delighted to present a new volume, this time with arrangements of familiar Christmas and Advent carols. About this volume, Larson writes: "I think it can be said that many of the Christmas carols that have been woven into the fabric of our yuletide celebrations are also timeless. They have survived because they have something to say and

have been wedded with memorable melodies. My goal in this collection has been to take these enduring strains and package them in fresh ways for the organist. At the same time, I wanted to do my best as an arranger to stay out of the way and ensure that these ageless melodies took center stage." (2-staff, Mod. Adv.)

Jason W. Krug

Praises Unending Preludes and Postludes Using Two Pedals

This collection is well-matched both to organists seeking very easy service repertoire and to pianists who want a fuller organ experience than manuals-only music. After all, the pedals are one of the things that make the organ special! In each piece, only two pedal pitches are used, eliminating any worry about foot movement or pivoting. Arrangements of eight popular hymns and five original pieces provide appealing selections for preludes, offertories, and postludes.

A Voice of Praise

Joyous Organ Music for Worship

Edited by Carson Cooman

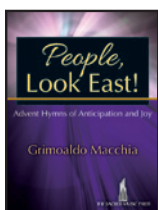

Ellen Jane Lorenz was an important figure in American church music, where her contributions to handbell

music and hymnody song were especially influential.

A student of the legendary French teacher Nadia Boulanger, Lorenz also wrote instrumental music throughout her life. This volume brings a selection of her practical and expressive organ pieces back into print—re-edited for today's organs and highly useful as preludes, offertories, and postludes. (3-staff, Mod. Mary McDonald

Declare His Glory Organ Reflections on Favorite Psalms

Mary McDonald's love of scripture is the bedrock of her entire body of work as a composer and arranger. From her choral settings of beloved

passages to her original sacred works, she shares the message of God's love and promises through her art. In this organ collection, Mary has chosen eight favorite passages from the Psalms and created organ music inspired by them. The pieces are of varied character: from boldly majestic to quietly introspective. Most also quote a familiar hymn that relates to the theme of the psalm. (3-staff, Int.)

Inspirations

*Organ Music in the Spirit of
the French Tradition*

Steeped in this tradition from his earliest training (with Marcel Dupré's first American student), Penfield has long embodied a practical, contemporary

manifestation of the beautiful French romantic period of organ literature. The pieces in this volume are of course suitable for recital, though individual movements are also useful as service voluntaries. Of particular note is "Petite symphonie," a five movement organ symphony well within the capabilities of many players who might not have felt themselves able to play a work in this style. Douglas E. Wagner

Celtic Suite for Organ

The term "Celtic music" can take on various meanings and styles, but in general is characterized to musical celebrations that draw upon the basic emotions of life (love, happiness, grief, and

sorrow) and the awesome beauties of nature, often with an overarching self-realization of a greater power at work around us. Folk music from Ireland, Scotland, and Wales is rich with these qualities in tuneful ballads and jaunty dance tunes (reels and jigs) that explore tonal centers and invigorating rhythmic movement. Douglas Wagner has written an organ suite in three movements that is a true delight to play and hear. The three movements could serve as service voluntaries (prelude, offertory/communion, postlude), or the entire work can form a recital selection. (3-staff, Int.)

On Christmas Day

Organ Settings of the Music of Vaughan Williams and Holst

Many Christmas choral works and carol harmonizations by Ralph Vaughan Williams and Gustav Holst continue

to enrich our worship services, concerts, and family celebrations each December. Their readily identifiable approach to this music draws on their important work in the folk song revival, and they brought many previously forgotten folk carols into sacred use. These arrangements by Douglas E. Wagner turn some of this music into organ solos, with a wealth of preludes, offertories, and postludes. (3-staff, Int.)

Scriptural Inspirations

Organ and Piano Duets for Worship

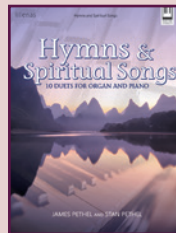

This volume of service music for piano and organ draws on verses from scripture to set the mood and character of each work. The composer suggests using them not only as service music but also possibly as background to dramatic readings. These sensitive duets are sure to emphasize and punctuate the liturgy in distinctive and powerful ways. (Two copies required for performance.) (3-staff & Piano, Int.)
