

2 But the Dog REALLY DID Eat My Homework!

Two-part Chorus and Piano

B.V.

Bill Vollinger

Ranges: Part I Part II

This song is a true story. Kyle Ng's dog "Keiko", a seven-month-old Boxer-German Shepherd mix, really did eat his homework. But nobody believed him, including his music teacher, the composer of this song. Kyle says that his dog is smart and obeys commands such as "Eat!".
